

CADET CLASSROOM AGREEMENT

- I will be on time for class, or have a pass explaining my tardiness. I understand tardiness is not permitted. I will stay in Dress Code at all times and I will not use electronic devices unless approved by the instructor.
- I will always be polite and courteous and help those around me.
- I understand homework is due on the assigned day in class. Late homework will be penalized if there is no acceptable reason for its tardiness.
- I recognize the instructor dismisses the class, not the bell. I will remain in my seat until the instructor dismisses the class.
- When there is a guest in the room, teacher, substitute, or another student, I will treat the guest with respect.
- I am in the class to learn. If I do not understand something, I will ask.
- I understand it is my responsibility to make up work (missed tests, uniform grade, and assignments) after an absence. It is also my responsibility to ask the teacher for these tests or assignments. I know extra help is available and I will arrange with the instructor for a convenient time and place for assistance.
- I take pride in my classroom. Before leaving the room, I will clean the area around my desk or workspace.
- I understand classrooms should be relatively quiet unless otherwise instructed. If I want to speak, I will raise my hand and wait my turn.
- If I need to use the lavatory, or go to the clinic, I will go to the instructor and quietly ask.
- I understand obscene, profane or vulgar language, fighting with anyone, mocking anyone, destroying property, cheating and other example of bad manners are unacceptable.
- I also understand all school rules also apply to the classroom.
- I will not eat, drink, or chew gum in the classroom unless given specific permission to do so.

I willingly accept the above as my responsibility to assist the instructor and the other students and myself in the learning process. My signature reflects my understanding of the above and my commitment to abide by these guidelines. As a JROTC Cadet, I also understand more is expected of me and I set an example for the other students in the school.
