# JAGUAR BATTALION NEWSLETTER

# October

## Booster Club Meeting.

Booster Club meetings take place on the first Thursday of every month at 1830hrs (6:30PM). This month's meeting will be on October 1<sup>st</sup>. The Booster Club supports the Battalion in fundraising to pay for events throughout the year. We would love to see parents come out to help support the Battalion.

## Football Honor Guards

Football Honor Guards will take place on October 15<sup>th</sup>, October 23<sup>rd</sup>, and October 30<sup>th</sup> beginning from 1700 (5:00PM) to 2030hrs (8:30PM). Football Honor Guards provide an easy way to earn promotions, community service hours, and raise money for the battalion. Honor Guards will be announced and take place at all home Varsity Football games.

## OCB

The Outstanding Cadet Board, where cadets use what they have learned so far in an examination of their knowledge of the JROTC curriculum on an organized competitive board conducted by cadet leadership.

## Special Events

10/10 - O'Reilly's Car Wash Fundraiser  
10/14 - PSAT 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>  
10/16 - End of 1<sup>st</sup> Nine Weeks/Early Release

## Co-Curricular Activities:

An abundance of our accomplishments come from the afterschool teams our cadets participate in.

### Raider

Raider is a team oriented athletic competition within the program that takes place outdoors and usually consists of distance running events, rope bridge construction and crossing, cross-country rescue, and tire flip events. Our Raider team competes in different events against other JROTC units. Please come out to help support your Raiders.

### Marksmanship

Marksmanship is an air rifle precision shooting team that focuses on consistency and accuracy. Cadets fire one round at each of ten targets on a target sheet, in three positions: standing, kneeling, and prone. Scoring is out of 100 for each position and our marksmanship team competes against other JROTC units. Our cadets go through extensive training before using the air rifles for safety purposes.
